FRUIT & VEG BOX ORDER SHEET

Name:	Address:
Box Value (excluding delivery):	
Collection/Delivery Time:	
No. of People in Household:	
Contact Tel No:	
Email Address:	

Our fruit & veg boxes include, where possible, locally sourced, seasonal produce.

On the accompanying sheet, put a line through any item you don't like & it won't be included in your box.

Mark any produce you'd like regularly with an 'R'. Other than that, leave it to us!

We try to vary the boxes so you don't get the same things week in, week out.

As a guide £10 boxes are the most popular and tend to suit 2 people per week. If you'd like other groceries included in your box each week, just note that on the sheet, telephone or email us and we'll have them ready for you to collect or deliver them with your box.

Delivered boxes will be invoiced via email each week. Collected boxes should be paid for at time of collection.

Because most of our produce is unwashed (and unwrapped) please wash all items thoroughly before use.

*Please note any uncollected boxes will be charged for. All cancellations of boxes (eg holidays) must be made at least 48hours prior to box collection or delivery time or the box will be charged for. Changes or cancellations must be made via email, over the phone or in the shop.
